

TREELY
TAKE AN INITIATIVE

H a r n e s s i n g

Nature's Strength

Create a space that radiates joy, whilst
adding elegance to your exquisite aura &
depth to your persona!

Story of Treely —

Treely is a manufacturer of high-quality particle boards from India and also deals in MDF & HMR boards. Treely has established a line of perfect particle boards based on quality and visual excellence. Each board takes its inspiration from nature, which transform your spaces with incomparable panache and grace.

Particle boards are peerless in terms of strength, durability, and application possibilities. During the production of these boards, all required precautions are taken to ensure that they are used to their full potential. Treely has invested in a cutting-edge facility to ensure that only particle boards complying with industry standards are produced. All of these efforts come together to make Treely boards stand out in terms of quality, durability, utility and affordability.

Treely Boards

Treely boards are versatile, engineered wood products made from fine wood fibers. They are widely used in furniture, cabinetry, and shelving due to their smooth surface and uniform density.

MARBLE

Elegance Carved
in Stone

A high-angle photograph of a collection of modern ceramic vases and a woven basket arranged on a white marble tray with gold-colored edges. The tray sits on a light-colored, textured fabric surface. The vases vary in shape and size: a large, smooth, light-colored vase with a central opening; a smaller, rounded vase with a dark interior; a small, ribbed vase; and a small, rounded vase with a dark interior. A woven basket is visible in the background. The lighting is soft and natural, creating gentle shadows.

THE LUXURY OF MARBLE

Elevate your space with the classic beauty of marble. Its unique veining and durability make it a timeless choice for any decor.

TECHNICAL SPECIFICATIONS

The Particle Board manufactured by the Company is based on recycling of Bagasse & Wood waste and therefore helps conserve the natural resources and maintain ecological balance. The Boards are eco-friendly as they substitute timber, plywood and block board for various types of furniture & building/construction industries.

The company’s state of the art plant has a manufacturing capacity of 6,00,000 Boards per annum, which are bagasse and wood based particle boards. The manufacturing plant has high-tech machinery & equipments for producing high quality flat pressed three layered plain & prelaminated particle boards.

Unique Characteristics of Treely Decor Bagasse Prelaminated Particle Boards.
Three layered Boards, Resistance to Heat, Steam, Stains; Abrasion, Moisture Resistant, Fire Retardent, Termite Resistant. Excellent machinability with screw holding & load bearing capacity, Balanced construction. No air pockets. Free from warping, Attractive plain colours & wood/print effects in the prelam range. Eco-friendly product. Manufactured from agro waste, ideal for all types of Furniture and Building/Construction Industries.

Specifications met:
Plain Particle Boards: Bagasse & Wood Base Prelaminated Particle Boards: Bagasse & Wood Base - The size of plain & prelam boards is 8x4 Feet (2440x1220mm). It is offered in 8,9,11,12,17,18 & 25 mm thickness. Surface Finish: Matt, Suede, Textured, Glossy, 3D, Digital Plain & Pre-Laminated Particle Board Interior Grade, Exterior Grade, Both Side Laminated (BSL), One Side Laminated (OSL), Filler Board (For Flush & Modular Door) Pin Board
