

# COMPANY PROFILE

TREELY  
TAKE AN INITIATIVE

# Directors

---

## Smt. Alka Jain

**Smt. Alka Jain** has played a crucial role in shaping the organizational culture and driving sustainable growth. Her leadership continues to inspire innovation, transparency, and excellence across all departments.

## Deependra Patel

With extensive expertise in operations and supply chain management, **Deependra Patel** has been instrumental in enhancing production efficiency and implementing modern management practices. His data-driven approach and commitment to quality have consistently delivered results across various verticals.

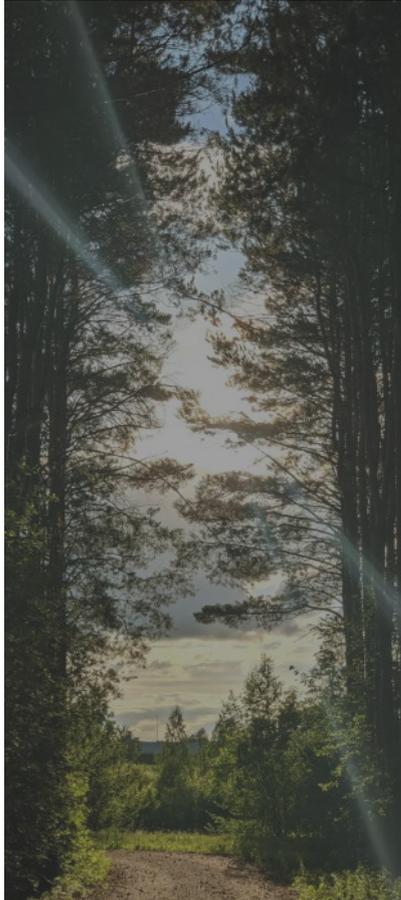

# CEO

---

## Anmol Jain

**Anmol Jain** leads the organization with a forward-thinking mindset and a strong focus on technological advancement and market expansion. Under his leadership, the company has witnessed exponential growth and diversification into new markets. His vision is to establish the company as a leader in quality, customer satisfaction, and innovation.

# ABOUT US

Treely is a manufacturer of high-quality particle boards from India and also deals in MDF & HMR boards. Treely has established a line of perfect particle boards based on quality and visual excellence. Each board takes its inspiration from nature, which transform your spaces with incomparable panache and grace.

Particle boards are peerless in terms of strength, durability, and application possibilities. During the production of these boards, all required precautions are taken to ensure that they are used to their full potential. Treely has invested in a cutting-edge facility to ensure that only particle boards complying with industry standards are produced. All of these efforts come together to make Treely boards stand out in terms of quality, durability, utility and affordability.

## Certifications

ISO9001:5001 , BIS

# TREELY

A white line-art icon of a lit lightbulb with rays emanating from it, positioned centrally over the word 'TREELY'.

## VISION

To be a leading and trusted manufacturer of sustainable engineered wood panels that enhance interior spaces and contribute to a greener planet.

## MISSION

To deliver high-quality Prelam Particle Boards (Bagasse & Wood Base), MDF, and HDF by using eco-friendly materials, advanced technology, and maintaining a strong commitment to excellence.

## CORE VALUES

Sustainability | Quality | Innovation | Integrity | People First | Environmental Responsibility

# Our Machine Technology

---

## Our infrastructure includes

---

### **Modern Pressing and Mat Forming Lines**

For consistent density and thickness across all boards.

### **High-Capacity Dryers & Sieving Units**

Ensuring optimal moisture control and uniform particle distribution.

### **Glue Application Systems**

For precise resin dosage and bonding strength.

### **Automated Panel Saw & Sanding Machines**

Delivering smooth surface finish and accurate board sizing.

### **Dust Extraction and Environmental Controls**

Making our operations clean, safe, and eco-friendly.

# Products range

BOARD  
DENSITY  
(KG/M<sup>3</sup>)

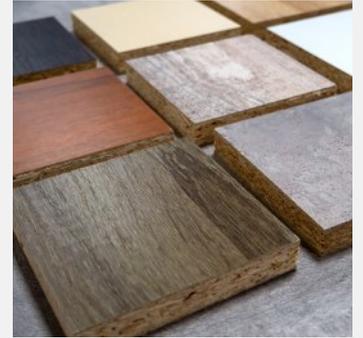

## Particle Boards

Particle Boards (Bagasse)

### Specifications

- Made Up Of : Bagasse & Wood
- Size : 8x4 Feet (2440x1220)
- Thickness : 9,11,17,18,25 MM
- Lamination Facility : BSL, OSL, OSR & Plain Mother Board
- Finishes : Glossy, Matt, Suede, Texture, 3D
- Density : 600-675 KG/M<sup>3</sup> (17mm)

Particle Boards (Wood)

## MDF Boards

MDF

### Specifications

- Made Up Of : Saw Dust, Eucalyptus, Pine Wood
- Size : 8x4 Feet (2440x1220)
- Thickness : 2.0,3.3,4.0,7.0,9.75,11,14.50,16.50,18MM
- Lamination Facility : BSL, OSL, OSR & Plain Mother Board
- Finishes : Glossy, Matt, Suede, Texture, 3D
- Density : 600-800 KG/M<sup>3</sup>

## Green HDF Boards

HDF

### Specifications

- Made Up Of : Saw Dust, Eucalyptus, Pine Wood
- Size : 8x4 Feet (2440x1220)
- Thickness : 7MM,14MM,16.75MM,18MM
- Lamination Facility : BSL, OSL, OSR & Plain Mother Board
- Finishes : Glossy, Matt, Suede, Texture, 3D
- Density : 600-800 KG/M<sup>3</sup>

Note: Above Details may vary as per raw material Used.

# Features

## Particle Board Features

- Low Carbon Footprint
- Utilizes Scrap And Waste Wood
- Recyclable Material Green
- Low Cost Solution
- Reusable Production Cycle
- Easy To Install
- Excellent Machinability
- Various Colours

## MDF Features

- 100% Hardwood
- Uniform High Density
- Smooth Surface
- Excellent Machinability
- Best International Technology
- Product Consistency

## Green HDF Features

- Higher Density
- Moisture Resistance
- Zero Bubble Finish
- Toughened Surface
- High Screw Holding Capacity

# Media And Events

Treely proudly participated in leading trade shows, product launches, and award events, showcasing innovation and craftsmanship.

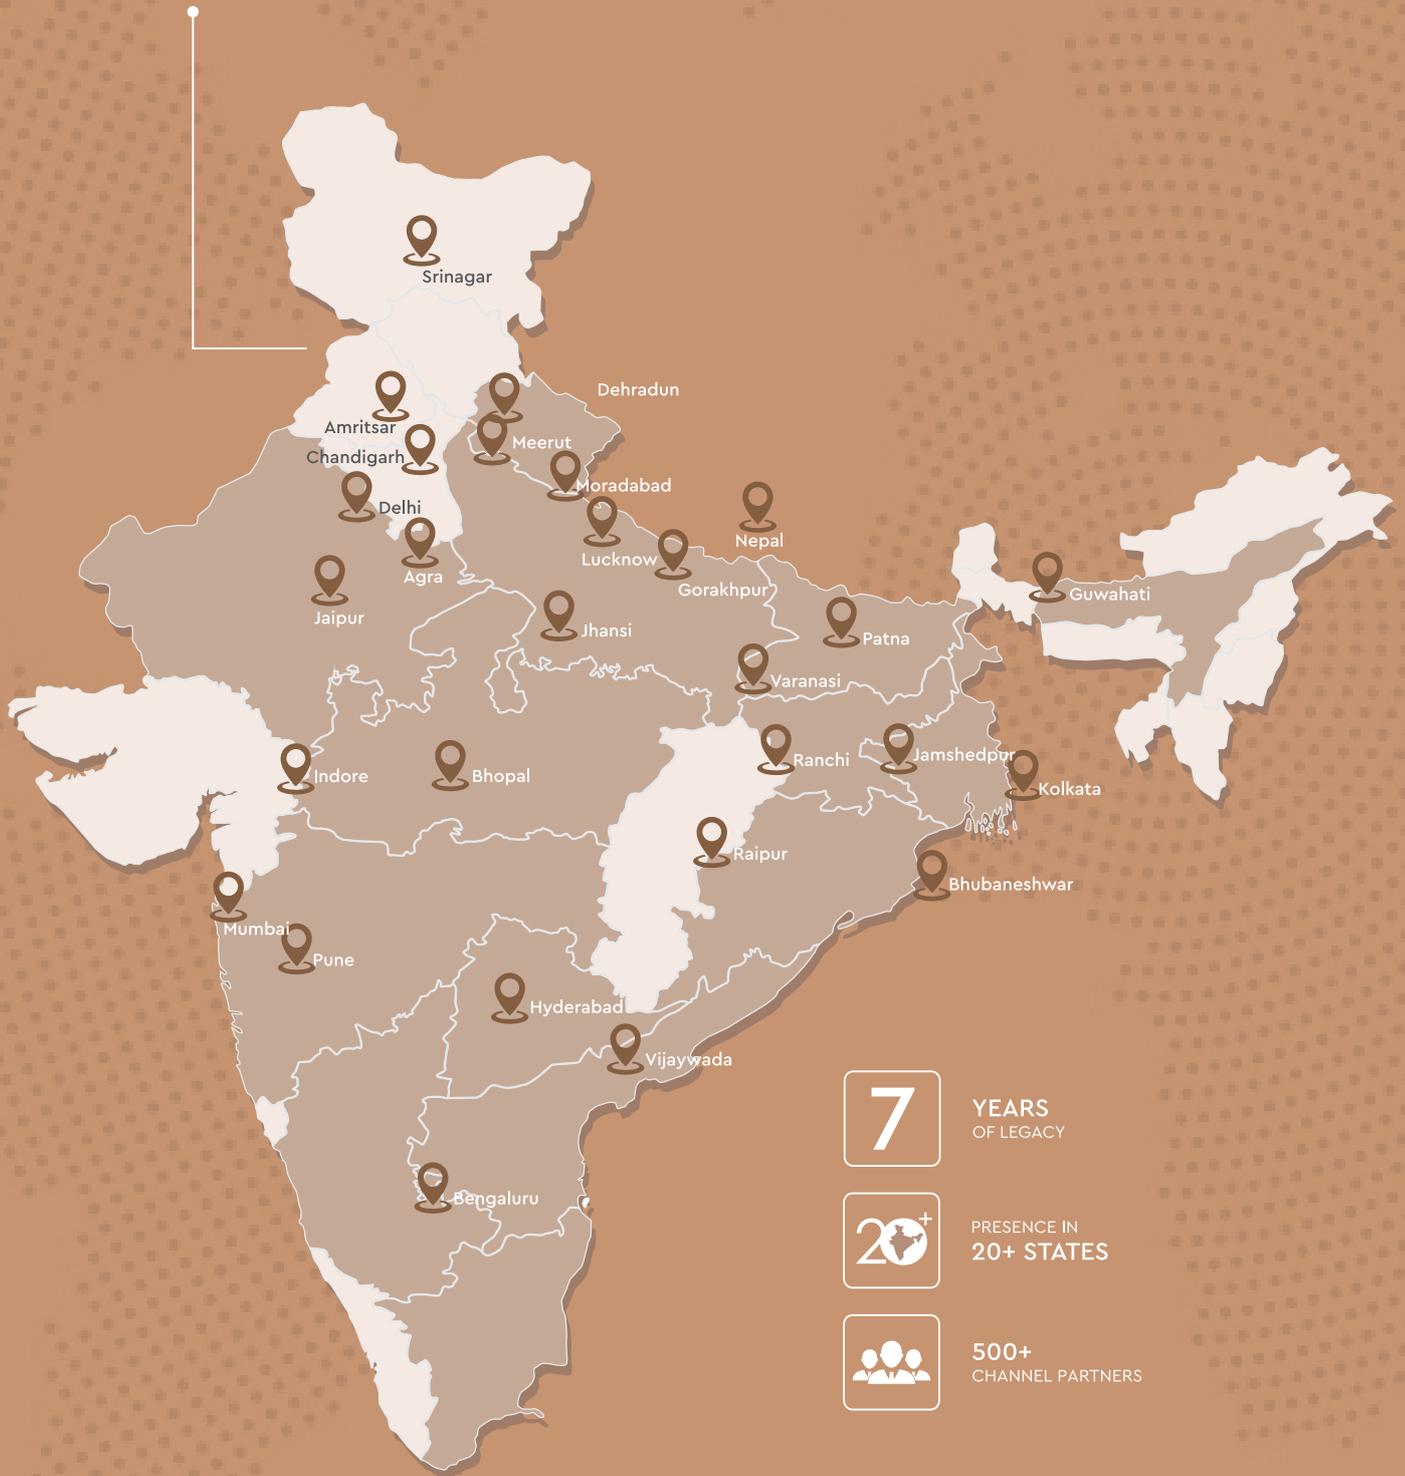

From team celebrations to national exhibitions, our journey is driven by excellence, recognition, and strong industry presence.

TREELY

# Our Network & Distributors

Our expansive network is distributed across 20 cities nationwide & also in different countries.

- 7** YEARS OF LEGACY
- 20+** PRESENCE IN 20+ STATES
- 500+** CHANNEL PARTNERS
